"Ontario District Marriage Registers, 1801–1858," digital images and database, Family Search (https://familysearch.org/ark:/61903/1:1:Q2C1-G3B7: accessed 18 January 2017; Ontario, District Marriage Registers, 1801–1858 > Talbot > 1838–1857, vol. 22 > image 74, for James Gilmore-Elisa Ann Summers, 14 September 1853; FHL film 1,030,054; citing Archives of Ontario, Toronto [microfilm MS248, reel 4]. On Family Search, this marriage (and probably others of this section) have been indexed as occurring in 1833, probably an error in transcription. A careful reading makes it clear that the year was 1853.
